

## Celebrate Earthday, April 22 & Enroll in eStatements

Dirigo FCU offers eStatements to our members who wish to go paperless and go green. Enroll in eStatements during the month of April and we will mail you a packet of sunflower seeds to help make this world a brighter place, one flower at a time! The advantages of enrolling in eStatements are:

- You get access to your statement faster - it's viewable as soon as the statement is generated and you don't have to wait to receive it in the mail.
- You have access to 18 months of statements online. That means if you need a statement copy, you can print one yourself rather than requesting a copy from the credit union
- It's paperless which is good for the environment
- It's completely FREE!

To enroll in eStatements, you must be currently enrolled in Online Banking and have a valid email address. To enroll, login in to **Online Banking, select eStatements from the Documents Menu**, review and accept the agreement... it's that easy!

## Message from the President

Years ago, it was said of our state that "As Maine goes, so goes the nation." This tenacity is represented in our state's motto - Dirigo, or "I lead" - and we are committed to carrying on this important legacy.

That's why we underwent the important exercise of rebranding and being renamed as Dirigo Federal Credit Union. For us, this is both a step forward into the future of our credit union as well as an opportunity to re-affirm a steadfast commitment to our founding values. By updating our look, including branches, name, and website, we look forward to providing a new level of excellence to all our members and our communities.

Dirigo FCU has been proudly serving the communities of Androscoggin County, Oxford County, and New Gloucester since 1956. For over 60 years, our commitment to provide impeccable service and products to our members has remained the same. We've grown to be one of Maine's largest credit unions, but we've always maintained the same small-town values shared by our members - community, trust, and hard work.

**Thank you for being a member of Dirigo FCU.**

**Mark Samson, President/CEO**
